All other enrichments are parent paid programs.</p>

Physical Education - Fitness Adventures is THE Physical Fitness program. Each week The Gym Station instructor presents health and fitness themes that challenge the mind and body. From basic calisthenics, to cardio, intro to Yoga, music and movement, and tons more... every child is ready to get up and have fun! Helping students stay fit, while having fun, is what Fitness Adventures is all about. Whether your child is 2 years old, or 12 years old, they will LOVE our Fitness Adventures. Remember, a healthy today means a healthy tomorrow! PE is an enrichment offered to our private pre-k, kindergarten, first grade, and second grade classes.

Spanish - Lingual Kids is a supplemental language immersion program. Their fun and effective techniques will prepare your children to succeed in today's global community!

Did you know that early foreign language acquisition can enhance critical thinking skills, accelerate the development of verbal and spatial abilities, and build confidence? This program strikes the perfect balance of results, retention, and recreation.

Spanish is offered as an enrichment to our toddler, preschool, private pre-k, kindergarten, first grade, and second grade classes. Private lessons are available for additional cost. www.lingualkids.com

Gymnastics - The Flippers gymnastics program is designed with your child's age and ability level in mind. Using a wide variety of equipment such as: bars, beams, and vaults we highlight your little athlete's skills by incorporating various music, shapes, and visual aids. Each week brings a new and exciting curriculum to encourage your child's physical ability. Most importantly, FLIPPERS is a non-competitive program that will challenge, excite, and reward your child. The Gym Station instructors use a proprietary healthy habits curriculum to help fight against childhood obesity. Register on-line by visiting www.mygymstation.com.

Mandarin Chinese with Lingual Kids - Lingual Kids is a supplemental language immersion program. Their fun and effective techniques will prepare your children to succeed in today's global community!

Did you know that early foreign language acquisition can enhance critical thinking skills, accelerate the development of verbal and spatial abilities, and build confidence? This program strikes the perfect balance of results, retention, and recreation.

Spanish is offered as an enrichment to our toddler, preschool, private pre-k, kindergarten, first grade, and second grade classes. Private lessons are available for additional cost. www.lingualkids.com

Mandarin Chinese with Mei Lee Wells - Students will learn Mandarin Chinese through fun songs and activities. Students will write, color, and learn songs such as London Bridge is Falling Down, I Love You, Head Shoulder Knees and Toes, If You're Happy and You Know It, and Family songs. Mei Lee Wells teaches Mandarin Chinese through applications of the language itself. Students learn to speak Mandarin with classmates and families and understand the Chinese culture in everyday life incorporating holidays and family traditions.

Mandarin Chinese is offered as an enrichment to our toddler, preschool, pre-k, and private pre-k, kindergarten, first grade, and second grade classes. Private lessons are available for additional cost.

Chess - Chess Adventures was developed to explore the fun side of chess. Scientific facts prove chess helps develop mental stimulation and increases brain power. Chess Adventures focuses on bringing the fun aspect of the game to children keeping them wanting to learn. We provide silly sets, animated chess video cartoons, fun clocks and chess computer games via our netbooks and laptops in each one of our classes. Pre-K and school age student can register on-line by visiting www.chessadventures.org.

Dance - Dance Adventures is a preschool dance and creative movement program. The Gym Station dancers focus on a variety of styles throughout the year and we always encourage your little dancer to discover the magic within themselves! Dance Adventures uses Ballet, Modern, Jazz, Tap, and Hip Hop to teach your child the fundamentals of dancing. All children enjoy Dance Adventures creative and FUN approach to dance and are excited about going to class every week! Our certified instructors love working with kids and are ready to help your dancer discover the Magic within themselves! The Gym Station instructors use a proprietary Healthy Habits curriculum to help fight against childhood obesity. Register on-line by visiting www.mygymstation.com.

Music - Opus One Music musicians sing and play in every class enriching children's lives with the joy of live music on a daily basis. Using the proven Opus One curriculum, the Atlanta teachers believe in the power of music to inspire young minds. Emphasizing process over product, the teachers make sure music is fun while educating young students about the music fundamentals, instruments from around the world, musical styles and culture. Music is an enrichment offered to our infant, toddler, preschool, private pre-k, kindergarten, first grade, and second grade classes. Private lessons are available on-line by visiting www.opusonekids.com.

Sports - Sports Adventures is about helping kids discover the champion within themselves. The instructors focus on a variety of sports throughout the year and always emphasize teamwork and fair play. Sports Adventures uses sports like football, basketball, baseball, soccer, and tennis to teach the fundamentals of throwing, catching, running and hitting. The Gym Station instructors are always encouraging and help boys and girls alike to become more self-confident in their sports futures. The Gym Station instructors use a proprietary Healthy Habits curriculum to help fight against childhood obesity. Register on-line by visiting www.mygymstation.com.
